V-DAY INVASION

It's not the thought that counts—it's making sure she doesn't have yet another excuse to make your life a living hell. May we suggest a gift?

1 ALL TIED UP

Does your face scare wildlife? Jimmyjane's blindfold scarf should do the trick: The suede eye-blinder and four-yard-long silk sash are perfect for helping her enjoy sightless imprisonment while you lean in and make her forget she could do better. (\$100, jimmyjane.com)

2 DOUBLE BUBBLE

Prove she doesn't need a muscled masseur to keep her happy by lowering her into the mechanical embrace of Conair's Dual Jet Bath Spa, with its two powerful nozzles and built-in mood light. No reason for jealousy... we think. (\$89, conair.com)

8 IT'S A WRAP

You need a V-Day gift for yourself, right? Get her into this sexy, skimpy La Perla Black Label silk bra-and-panty set. Leave the curtains open for your peeping Tom neighbor and everyone's happy! (\$175 for bra, \$67 for thong, laperla.com)

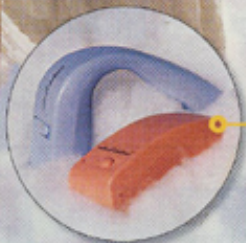

4 LAST CALL

Chocolate is an aphrodisiac, but why not get her drunk too? Mozart liqueurs blend Austrian chocolate—milk, dark, or white—with bourbon vanilla and fruit distillates for a decadent love potion that's guaranteed to send her into a diabetic love coma. (\$22, mozart-liqueur.com)

5 JOY BUZZERS

They're cute toys from an alien world. Add batteries and, hey, you also have a personal yoni massager! Natural Contours' nonthreatening and ergonomic pleasure machines come in various colors and shapes, none of which are penile. (\$20 to \$50, natural-contours.com)

6 SILENT TREATMENT

"I always thought your sister was hotter than you." Say everything you've ever wanted to once she dons her Sennheiser PXC 250 noise-canceling headphones. Frequencies below 1,000 Hz are lowered by up to 15 dB. Gripe away! (\$150, sennheiserusa.com)
