It's Time to Really Do Those Kegel Exercises—And Relieve Incontinence, Enhance Pleasurable Response

You know those Kegel exercises your doctor told you to do and you never remember to? They strengthen your pelvic floor muscles, which age can take a toll on, so you enjoy both better bladder control and increased sexual response. This small ergonomically shaped Kegel exerciser is a safe, comfortable, easy, and effective way to maintain and tone pelvic and vaginal muscles, as you exercise internal muscles against a weight resistance. Instructions included. Made of antibacterial plastic. 6 1/2" long, 1 1/2"-1 3/4" wide, approx. 16 oz.

Soothe and Eliminate Yeast Infections the All-Natural Way with 100% Pure Yeast Rescue Soap and Spray

Yeast infections plague more than 75% of women at some point and can even be transferred to men. When that itchy itching and burning begins, instead of applying remedies laden with chemicals, detergents, and artificial dyes to sensitive areas, use this all-natural, effective soap and spray. Both contain organic jatroba, known for its antimicrobial and antifungal properties. Use the soap to clean, moisturize, and soothe; then apply the spray to provide added relief and eliminate the infection within 2 to 4 days. Soap 6 oz. bottle; spray 2 oz. bottle.

NEW Enjoy Good Clean Love, an All-Natural Oil that Reacts to Each Person's Chemistry

This intoxicatingly fragrant oil doesn't just smell great, it triggers a response in the brain's limbic region, where sexuality, memory, and emotion are stored. A combination of therapeutic-grade essential oils in a base of apricot kernel and organic jojoba oil, it reacts differently with each user's individual body chemistry and pheromones, so the scent changes—we smelled cloves, cinnamon, minting—depending on who's using it and where. Safely diluted so it can be used anywhere on your body, it's terrific for massage. Not latex-compatible. 4 oz.
